

Alma Mountain Bike Trail

2.5 Miles of Single Track

Trail is made up of 6 sections.

Sections 1, 2, & 3 can each be its own loop

Sections 4, 5, & 6 must be ridden together

Section 1 .41*miles, 2 slight inclines, obey Stop Sign as trail does cross dirt road

Section 2 .95*miles, 3 slight inclines, 1 small stream crossing that can have water in the spring. 5 small log crossings that are not difficult. 2 larger log crossings but a bypass option is available

Section 3 .56*miles, ride on top of a small ridge. This section will end close to paved road, ride on grass-DO NOT ride on pavement with traffic

Section 4 .12* miles, section starts in a meadow just off the paved road

Section 5 .08*miles, begins in another section of meadow-watch for deer as they like this section. The ridge from Section 3 is visible to the right

Section 6 .42*miles, 2 inclines; 1 short & steep, 1 more gradual. Obey Stop Sign as trail ends at pavement. Choose to begin another lap or to end your ride

*not all cycle odometers will read the same mileage

Trail is located in the

Pine River Park & Outdoor Center.

(road is between boat launch area and the cemetery) Drive/ride pass the playground, continue to brick rest-room building. Plenty of parking in that area. Ride past the gate (if gate is closed, there is ample space to ride around it) Trailhead will be on the right.

Sign will read "Bike Trail Section 1" .
