Agenda Items

\- Appointments:
  On the agenda are the following candidates for appointments to City Boards or Commissions:

  \- Board of Review: Reappointment of Tadd Godfrey, David Justin, and Joel Lucas to a one-year term. Appointment of Ben Long as an alternate member.
  \- Housing Commission: Reappointment of Gary Shirely to a five-year term and the appointment of Sue Anderson to a five-year term (replacing George Clark).
  \- Parks and Recreation: Appointment of Ben Long (replacing Charlene Feiss).
  \- For the Planning Commission: 3 applications have been forwarded to Mayor Mapes for consideration as of this date. Manager Schooley noted that an additional application has been sent to Mayor Mapes.

\- Consideration of an Increase in Compensation for Board of Review Members:
  Assessor Kathy Roslund has requested that the City Commission consider a request for an increase in the compensation for the Board of Review for 2019. Currently the Board of Review is compensated at $12/hour, with the following expenses for 2018:

  Feb 22nd: 4 hours training = $144
  March 7th: 2-hour organizational meeting = $72
  March 21st: 7 hours = $252
  March 22nd: 12 hours = $432
  March 23rd: 7 hours = $252
  July 17th: 1 hour = $36
  Dec 11th: 1 hour - $36
  Total 2018: $1,224

  Kathy would like to recommend the 2019 Compensation rate:
  Meetings under 4 hours = $50 per member
  Meetings over 4 hours = $100 per member
  Meetings over 8 hours = $150 per member

  Total annual compensation for 2019 would be $1,700. That is an increase of $476 over current rate.

Informational

\- Tour of Water and Wastewater Plants
  There has been talk that commissioners are interested in taking a tour of some of the municipal facilities. In talking with staff, they would be very excited to have you visit. I would like to set a tentative date of February 20th for a tour. Transit would be available to pick us up at the Municipal Building and get us where we need to go. I am looking for some feedback of a good time to start the tour.
• **Library Staff to Host Brunch for Staff and Commission**  
  On February 14th the Library Staff will be hosting an employee breakfast starting at 6:30 am and running until 9:30 am. Bryan asks that you contact his staff (463-3966) by February 8th so he can get an accurate count.

• **Updated: Issuance of Medical Marihuana Facilities Licenses Policy**  
  On January 18th the Marihuana Facilities Licensing committee met to finalize the policy and plans for the application process scheduled to begin February 1st. The Informational Meeting will be held on January 30th here at the Municipal Building. Zoning pre-application forms will be distributed that night. Full Medical Marihuana Facilities License Applications will be available starting February 1. The committee has made the decision that if there are more applicants than licenses, a lottery will be held to select the applications for recommendation to the commission. At the time of this writing we were finalizing some of the language which will be brought to the full commission in a report from Commissioner Piccolo at the upcoming meeting. I will also bring a copy of the updated policy.

• **Michigan Rural Community Demolition Grant**  
  At the last commission meeting we discussed the possibility of hiring a management firm for the property owned by the City on Hoffman Road. Since that time Gratiot Economic Development has informed us of a $50,000 Rural Community Demolition Grant available through the Land Bank. In reviewing the condition of the property and potential costs associated with it over the next few years, staff believes this grant is an opportunity to demolish the structure and create a savings for us in the long run. Attached is the grant information from the Land Bank.

• **Conditional Rezoning Request to Planning Commission**  
  The conditional rezoning of the property at 601 Woodworth/119 Hastings will be brought back to the planning commission at the February 4th meeting. The owners of the properties have made the request (along with the prospective buyer). A public hearing will take place once again on the property during the meeting.

• **Cititech (workflow) Reorganization**  
  While conducting staff meetings on the 2020 Budget and budget reviews over the past couple weeks it has become apparent that we have not been using our workflow system to its capabilities. This, to me, is at the root of many of our issues we have encountered in regard to budgeting and communication over the past years. I will be working to make sure we first have the right system in place, and if so making sure we are properly trained in the its use. Our workflow system ties directly to our planning and prioritizing citywide. Internal service fees and how they are charged to each department are dependent on a solid, trusted system that everyone understands.

• **Volunteer Program Rollout: Alma College Intern Justin Judge**  
  Justin Judge has been working very hard on the development of the City of Alma’s Volunteer Program. He has created a policy, handbook, department request form, and a list of potential organizations to contact as we get ready to start the program this Spring. I will keep you updated and would like to have Justin come to a commission meeting in the next few weeks to present the program in full.

• **Chamber Dinner**  
  The Gratiot Area Chamber of Commerce Annual Dinner is Thursday January 24th. If you are interested in attending, please contact me for more information.
